ABOUT US

Today, ‘kitchenware’ is part of our daily jargon but have you wondered who cooked it up?

Anjali!

The pioneers who didn’t just create the coinage but also created the category!

Indian kitchens and Anjali go a long way back. Today, 45 years young, Anjali is a timeless Indian brand that made an effortless transition through diverse tastes and changing trends.

With over 400 products and a robust Pan-India presence, Anjali has made its home across households in India. Innovation and quality have been the mainstays through this eventful journey.

As the New-age woman continues to shatter glass ceilings, now thanks to Anjali, she is also serving aces in the kitchen.
