The logo for Right Industries, featuring the word "Right" in a blue serif font with a registered trademark symbol. A green swoosh underline is positioned above the "t".

**Right**<sup>®</sup>

Established in the year 1999, Right Industries, located in Daman have propelled successfully in plastic industries emerging as a paradigm of quality and practicality. The products of 'Right Industries' are scrutinized to the extent, that, when it reaches to the world- the world likes it. Its Ergonomic designs are outcome of thorough research and analysis, and team of experts who walk the extra mile to deliver the best.

We are aware of nature's balance and that's what reflects in our products. All the products are made from virgin plastic which is food grade & environmentally safe. Most of our products are space saving devices and has varied shapes and sizes with good locking system. Right Industries is not only a leader in contemporary products, but it's usage and design are also very futuristic in its approach, which gives our customer a place where they can always find their 'Right' product. We reach across India giving the ***Right Packaging & Storage solutions.***
